astounded engineer.

Mr. Rellly looked for a moment as though he were booked for a head-end collision with his air-brake "busted." He tried to smile and then began to explain that he couldn't make a speech, but before he finished everyone pres-ent thought that his opening remark ent thought that his opening remark was not consistent with what followed. It was unnecessary for him to say that he was surprised, for his face showed it and his reply to Mr. Martin was long enough to thoroughly demonstrate his appreciation of the high compliment paid him by the firemen.

In presenting the watch Mr. Martin paid a high tribute to Mr. Reilly.

The occasion was one of the most enjoyable in the history of the lodge and will be long remembered with pleasure by all who attended.

In Honor of a Salt Lake Girl. The week of almost unprecented gayety was ushered in by a grand dancing party given at Crystal Springs by Miss Bessle Skyrme in honor of her friend, Miss Louise Wey of Salt Lake, who has been Miss Skyrme's guest for several weeks, returning home the last of the week. Miss Wey is the daugh-ter of A. Fred Wey, who once resided in Butte, Miss Louise spending her childhood in this city. She has grown to be a charming young lady and a talented musician. Monday evening promptly at 8 o'clock the invited guests mel at the home of Miss Skyrme. A tally-ho, a large band wagon and two three-scated carriages conveyed the party to the Springs. The evening was party to the springs. The evening was an ideal one and the ride out and back was by no means the least of the pleasant entertainment. Musicians were taken along and as soon as the first arrivals had disposed of their wraps, dancing began and it was kept up with undiminished animation, with only intermission for supper, until the morning sun began to show its first faint light on the distant horizon. Twenty numbers, waltzes and steps, were on the programme several extras were introduced. A merry party of local Knights of Columbus journeyed to Denver Monday last. It consisted of John M. Harnan, E.
